Funded Trader · Sales Closer · AI Agent Manager
Miami, FL 33137 | +1 786 653 0982 | Carlosbuelvas1209@gmail.com | Portfolio: carlosbuelvas1.github.io | linkedin.com/in/carlosdbuelvas

PROFESSIONAL PROFILE

Funded trader at TX3 Funding (formerly TopTier Trader), managing a $200,000 funded account with payouts totaling 22% of the account size, backed by the Moon4Traders 100K Challenge (2023) and Profit4Life advanced Forex training (2022). Sales setter/closer who personally closed individual deals of $25,000+ at Business Sales Academy, managing pipelines in Salesforce and Kommo. Directs AI agents (Codex, Claude Code, OpenClaw) to run real work, including job-search automation, a personal portfolio site and personal trading tools; Anthropic-trained. Bilingual English/Spanish.

CORE CAPABILITIES

Trading: Funded-account trading, risk discipline, daily monitoring of market developments and trends.

Sales and CRM: Customer discovery, daily sales calls, deal closing, pipeline management, sales KPI tracking, Salesforce, Kommo.

Applied AI: Directing AI agents (Codex, Claude Code, OpenClaw), prompt writing, agent instructions, Markdown context files.

Leadership: Team supervision, scheduling, supplier ordering, high-volume customer service and upselling.

FUNDED TRADING EXPERIENCE

Funded Trader | TX3 Funding (formerly TopTier Trader) 2025

- Qualified for a $200,000 funded trading account.
- Received payouts totaling 22% of the funded account size over eight months, measured against account size rather than personal capital invested.

SALES EXPERIENCE

Sales Setter / Closer | Business Sales Academy Feb–Dec 2025

- Personally closed individual deals valued at $25,000+ through daily sales calls and customer conversations.
- Managed lead stages in Kommo and Salesforce and tracked sales KPIs to monitor pipeline activity.
- Relayed customer pain points and feedback to marketing to inform messaging and landing-page improvements; supported sales events serving audiences of 500–600 people.

AI AGENT MANAGEMENT

AI Agent Manager | Independent 2026

- Direct AI agents (Codex, Claude Code, OpenClaw) like a team: define the task, provide context, review output, and ship.
- Automated job search with agents that research roles, tailor applications and keep the pipeline organized.
- Built a personal portfolio site, trading-journal and investment follow-up apps, and daily market-news reports with AI agents.

EARLIER EXPERIENCE · HOSPITALITY

Server | Cervecería La Tropical | Miami, FL 2023, 2025–2026

- Top seller of the 2026 World Cup season, with $10,000+ in sales from personally served tables on peak match days.

Server → Assistant Manager → Supervisor | Mister O1 Pizza, Pizza Nostra, Dunkin', Giardino 2019–2024

- Promoted from server to assistant manager, then supervisor: scheduling, staffing, supplier orders and front/back-of-house coordination.

TRAINING AND CERTIFICATIONS

AI | Anthropic: Claude Code 101; Introduction to agent skills; AI Fluency: Framework & Foundations.

Trading: Moon4Traders 100K Challenge, 2023; Profit4Life advanced in-person Forex course, 2022.
