PROFESSIONAL SUMMARY

Funded trader and bilingual (English/Spanish) client service and sales professional and AI agents manager, seeking roles in trading, private banking and client service, sales, fintech or AI. Trades a $200,000 funded account under fixed risk rules (1% risk per trade, 1:2 risk-reward) with $40,496.04 in certified payouts, and has closed individual client deals of $25,000+ while tracking every stage in Salesforce and Kommo. Builds and manages a team of specialized AI agents and scheduled automations for daily job and market briefs. Born and raised in Venezuela and based in Miami since age 17.

SKILLS

Client relationships: Client discovery, daily client calls, deal closing and follow-up, guest greeting and check-in, bilingual English/Spanish service.

Risk and financial markets: Fixed 1% risk per trade, fixed 1:2 risk-reward, daily market monitoring, TradingView.

CRM and tools: Salesforce, Kommo CRM, Microsoft Excel, KPI and pipeline tracking.

AI & Automation: Team of specialized AI agents with defined roles; scheduled agents (inbox monitoring, daily job and market briefs); Gmail, Calendar, Drive, Slack, Notion, X, GitHub; MCP servers and APIs (Meta, YouTube); Vercel, Supabase; coding agents (Devin, Cursor, Claude Code, Codex).

Leadership: Team supervision, scheduling, staffing, supplier orders.

FINANCIAL MARKETS EXPERIENCE

Funded Trader | TX3 Funding (formerly TopTier Trader) | Remote — Apr 2025–Present

- Qualified for a $200,000 funded trading account and earned $40,496.04 in certified payouts, documented by payout certificates.
- Applied strict, rules-based risk management on every trade: fixed 1% risk per trade and a fixed 1:2 risk-reward ratio.
- Monitored financial markets daily to follow developments and trends.

CLIENT-FACING SALES EXPERIENCE

Sales Setter / Closer | Business Sales Academy | Miami, FL — Feb 2025–Dec 2025

- Closed individual deals of $25,000+ through daily sales calls and client conversations.
- Managed lead stages in Salesforce and Kommo and tracked sales KPIs to keep every client relationship and follow-up on record.
- Relayed client feedback to marketing to improve messaging; supported sales events for audiences of 500–600 people.

Event Staff | "Comunica y Vende" sales event | Orlando, FL — Nov 2025

- Greeted guests, ran check-in and closed sales on-site at an event of ~500 attendees.

CLIENT SERVICE & TEAM LEADERSHIP · HOSPITALITY

Server | Cervecería La Tropical | Miami, FL — 2023, 2026

- Top seller of the 2026 World Cup season, with $10,000+ in sales from personally served tables on peak match days.

Server → Assistant Manager → Supervisor | Mister O1 Pizza | Miami, FL — 2021–2022, 2024–Jan 2025

- Promoted from server to assistant manager, then supervisor: led staff scheduling, supplier orders and front/back-of-house coordination.

VOLUNTEER EXPERIENCE

Volunteer, Workshop Operations | Miami AI Summit (eMerge Americas), Loews Coral Gables — Oct 2026

- Coordinated the organization and setup of the workshop sessions as part of the volunteer team.
- Communicated directly with speakers to ensure microphones, presentations, seating and rooms were ready before each session.
- Engaged directly with speakers during sessions, with first-hand access to ask questions and learn from AI industry leaders.

Volunteer | eMerge Americas AI Hackathon | The DOCK, Miami, FL — Oct 2026

ADDITIONAL EXPERIENCE

AI Agents Manager | Independent: portfolio site, trading journal, backtester, podcast app, market reports — Feb 2026–Present
